

AROUND THE TOWNSHIP

Sensational journalism as practiced by Scoop Pashote, our valued Newark correspondent:

"Joe Piexotte, better known as 'PX', fell from a roof about 25 feet high last Saturday. He was putting in a new roof. He was taken from Newark by the ambulance of the Chapel of the Palms to the San Jose hospital. He received minor injuries and one fatal injury which was a busted bone near his spine. It was reported that he is doing nicely."

The state highway people better show a few signs of life in the matter of highway signs around here. The new canyon road intersection is not marked at all. No one can tell where to turn into Niles.

One of the best speechifiers to come to these parts is C. W. Kraft who has been running the Chamber of Commerce for the last two weeks.

When we were small and read "Chatterbox" the English children's annual, there were occasional references in its stories to "marrows", a dish of which English children were said to be very fond. The only marrows we knew anything about were the kind found in soup bones.

But the other day, Leonard Osmond cleared up the mystery by bringing us in what appeared to be an oversized zucchini which he said was a "marrow". We oiled it and served it with sauce and found it had the same revivifying effect as spinach.

"Make Way for Tomorrow" a picture coming to the Niles theatre on Sept. 29 and 30, has the endorsement of insurance companies because it shows the tragedy of old age without security. Incidentally, it is a good show.

One who signs himself "A Booster" writes to us cracking down on Dr. Durham's good letter in last week's brickbat column. We would be glad to publish his letter if he would sign his name to it. No reputable newspaper publishes letters from persons whose names are unknown to the editor. If "booster" will send us his name we will print his letter.

NILES COMMUNITY CHURCH LISTS SUNDAY SERVICES

Church school at 10 a. m.
Mrs. Kate Franklin, supt.
Junior Congregation 10:45.
Mrs. Geo. E. Sladek, conducting.
Morning Worship and Sermon at 11:00.
Young People's Christian Fellowship 7:00 at the Manse.
The subject of the morning will be, "The Winning Fan." We cordially invite you to worship with us.

"Some folks don't go to church at all; some go from a sense of duty; some go to get something; some go to give something. I don't know which of the four groups you're in, but I am inviting you to join the fourth."

There are many good churches in Washington Township; you'd probably be a help to any one of them if you join the fourth group. At the little Niles Community church on H street we're trying to get a spiritual vision and hear a spiritual voice through the dust and din of world conflict. Such a vision and such a voice are worth infinitely much to every one of us.

Maybe, if you come with us, you'd see and hear them too; maybe even more than we do.

SOUZA REPORTS PREY ON HIGH SEAS

MISSION SAN JOSE—The first report of alleged high-seas robbery heard at Port Chicago since the early days of pirates and such came to the attention of Mission San Jose residents this week when Manuel Souza stated his boat had been "held up" by six alleged fishermen from San Francisco last Sunday. The men had paid Souza and his partner, Joe Pereira, both formerly of the Mission, to take them out for a fishing trip. When well out from shore, the owners of the boat were threatened with battery and drowning if they did not hand over the money and fishing equipment. Souza swore to a complaint at Martinez Monday.

(LATE THURSDAY) "I'm all right. I can take it. And we're not coming home till one of us gets a deer!" This was the message relayed to Mrs. Griffith last night through a forest ranger at San Francisco from her father-in-law, Dad Griffith. The ranger reported Griffith had become separated from his party a few hours after arrival at Burney. He had wandered in circles from Sunday morning until Thursday without food. He suffered no ill effects except weakness from hunger.

NILES—Mrs. Lillian Griffith in charge of the cafeteria at the Niles Grammar School last night was anxiously awaiting news of her father-in-law, James Griffith, 69, who was reported lost while on a deer hunting trip in Shasta County. C. C. C. boys at a camp near Redding were engaged in the search for the missing man.

Mr. Griffith left Niles Thursday morning, a week ago, in company with George Burr of Niles, George Leal of Alameda and Mrs. Griffith's mother, Fred Henpe of Oakland. When friends suggested that Mr. Griffith should not undertake the strenuous trip he insisted that he could go the younger men "one better".

Mr. Griffith has been tower man for the Western Pacific Railway here for the past five years and is now due for retirement. He has been in railroad business since he was 18 when he started out as a telegraph operator in New York State. He makes his home here with Mrs. Griffith and her two children.

JUNIOR CHAMBER ABANDONS STREET CLEANING WORK

NILES—Due to lack of support by merchants and a desire to cut down expenses in anticipation of purchase of highway signs, the Niles Junior Chamber of Commerce voted this week to abandon street-cleaning project. The secretary was instructed to contact several electric sign companies regarding cost of two highway signs to be purchased jointly by the Senior and Junior Chambers.

REV. FLATELY RECEIVES HIS APPOINTMENT

NEWARK—Word was received during the past week that Rev. William B. Flately has been appointed by Most Rev. Archbishop John J. Mitty as Pastor of St. Edward's Catholic Parish. Father Flately has administered the affairs of the Parish during the illness of the Rev. Reuben F. Bray, who died recently. St. Anne's church, Alvarado is a Mission of St. Edwards. The Parish was established in 1920 with the Rev. John F. Casey as its first pastor.

Originally it was a Mission Chapel of Mission San Jose, founded by Father Lassee in 1797 as one of the string of California's twenty one Missions. In the early Seventies property and funds were donated by the late James G. Fair, famous as one of the four Bonanza Kings, for the founding of St. Edward's Parish. It was later connected with the Centerville Catholic Parish until 1920 when the pressing needs of the Newark people made imperative the establishing here of a resident Pastorate. Archbishop Edward J. Hanna appointed Rev. John Casey as first Pastor. The needs of the growing Parish were later administered by the Rev. Reuben F. Bray and the Rev. Robert I. Falvey, present Pastor of Pleasanton.

FIRST WRECK OCCURS IN NILES UNDERPASS

NILES—The first accident to take place in one of the six new underpasses at Niles happened shortly after midnight Friday morning when a truck loaded with 10 tons of alfalfa hay struck the curb in the first underpass at the west end of the Centerville cutoff and partly blocked traffic for most of the following day. The driver, Dominic Sutter o Manteca, stated that a speeding car approaching him crowded him off his lane and his truck crashed into the curb, breaking a wheel. Also on the truck was Otis Ball from Manteca.

The underpass is 24 feet from curb to curb, four feet wider than the standard width, representatives of road contractors stated.

WUHS PLAYS GAME TODAY

CENTERVILLE — Washington Union High School will have its first football game of the season in a practice meet with Pleasanton at the local field this afternoon. The line-up as reported tentatively by Coach Judson Taylor is as follows: Norman Ahm, tackle; Paul Rivers, full back; Julius Pine, center; these are the only three veteran first string players left from last year; Don Costa, half-back; Elwin Gaunt, tackle; Cy Solon and Bud Mello, ends; Jimmie Kakimoto, half-back; Eugene Luna, quarter-back; these having seen some service last year. Three new players are Norman Luna, Sidney Gaunt and Norman Rogers. Gaunt and Norman Rogers are competing for guard while Luna will definitely play this position.

Only three Freshmen are mentioned by Coach Taylor as showing promising material, Mervin Boyce, Bob Cary and Joe Schelbert. Others making a good attempt at line positions are Paul Manley, Philip Brazil, Richard Inouye, Ernest Frei, Lawrence Leal, Al Silva, Gale Sheely, James Silva, Bob Zwissig, Joe Amaral and Lawrence Waldt.

The outlook for the season is fair, Taylor states. He isn't optimistic enough to prophesy a championship season but at the same time he is expecting no crushing defeats from the Santa Clara County League teams which his men will play for the first time this year.

CHAMBER DISCUSSES PLANS FOR SIGNS AT NILES

NILES—Numerous matters regarding the new highway were discussed at this week's luncheon of the Chamber of Commerce at the Florence Restaurant, including the fact that the chamber went on record as favoring the renting instead of the purchase of two neon signs for the highway. It is estimated that this will cost about \$25 per month.

Secretary A. J. Petsche was instructed to write to the State Highway Department asking that proper directional road signs be placed to direct traffic to the Niles business section. It was suggested that approaches to other towns had been placed but that those to Niles had been overlooked as yet. A similar letter is to be sent to the Automobile Club.

Removal of lights from the old highway to the new will be requested of the County Board of Supervisors. E. A. Ellsworth and A. J. Petsche were appointed to make a survey of lights available and desirable new locations.

A committee will be appointed to communicate with the Junior Chamber of Commerce regarding ways and means of raising money for the neon signs. Dr. Wilson suggested that the chambers ask for a percentage of the various football pools in the community and Ellsworth suggested a public card party.

Vice-President C. W. Kraft who presided gave a report of the visit made last week by the chamber committee, Kraft, Ellsworth and Petsche, to the Pacific State Steel Corporation. The executive board happened to be in meeting at the time and gave a cordial reception to the callers.

Y. L. I. PLAN COSTUME BALL

CENTERVILLE—Blame for the death of Antone R. Silva, 54, fatally injured in an accident at the Leslie Salt Plant on Sept. 14 was placed by a coroner's jury at the Chapel of the Palms Wednesday morning on the person "unknown to the jury" who had opened the switch permitting a salt train to crash into a pile of rails where three workmen were repairing a spur track. Louis Provenzano, deputy coroner from San Jose, conducted the inquest as Silva had passed away at the San Jose hospital.

Witnesses included Dr. George Holeman who treated the injured men and performed the autopsy; Mrs. Agnes Silva Pavao of Hayward, a daughter; Frank Madruga, ambulance attendant; Ralph Swenson of Mt. Eden and Edward H. Thomas of Sunol, two fellow-workmen, also injured; Anker Christensen of Alvarado, superintendent of the salt plant; and Marion Cupp of Hayward, driver of the train which hit Silva. Members of the jury were Matt Mathiesen, foreman; W. L. Pattison, Martin Gratzler, M. S. Simas, Frank Azevedo, H. D. Faucett and Joe Adams.

Testimony of Cupp and Christensen mentioned the name of a man called Curtis, both witnesses stating that Curtis had been working on the switches the morning of the accident. The deputy coroner stated Curtis had not been subpoenaed as a witness due to the fact that no previous mention had been made of his being connected with the affair. Witnesses also stated that Cupp, driver of the four-ton, en-car train which crashed into the working group, would not have had time to stop the train after he saw the switch was open. Cupp stated he had been through the switch about a half hour before the accident and that it had been all right. When about 50 feet from the switch he noticed it was open, applied his brakes and yelled for the men to jump. Thomas was able to clear the track and received only minor cuts and bruises. Swenson was able to pull himself from the wreckage but was in the hospital a week recovering from cuts and bruises. Silva was pinned under the engine which rode up on the pile of rails which had been laid across the track being repaired.

Testimony indicated that the switch could not have been opened except by hand. It was also testified that Silva, a farmer all his life, had been working at the salt plant only four days and that he had taken the job to fill in for a son then employed at a cannery.

Scout Leaders Attend Old Fashioned Picnic

NILES—An old-fashioned picnic for families of scout leaders in the southern division was attended by approximately 100 at the private picnic grounds of A. W. Ebright at Sunol on Sunday. Representatives were present from Oakland, Alameda, Hayward, Castro Valley, Niles, Centerville, Irvington, Livermore and Livermore.

Homer J. Bemiss, executive of the Oakland Area Council, and Mrs. Bemiss were among the guests. The committee in charge was W. T. Lindsay of Niles, field executive; Harvey Saunders of Livermore and John Lee Wilbur, chairman of the southern division, of Hayward. Chiefs who presided at the barbecue pit were Wilbur, Jim McCourt and Tom Christian of Hayward. Lindsay conducted big pots of delectable Spanish beans and had enough energy left to superintend the series of games and contests which included all from the oldest scout present, Wilbur, to the youngest, Skeeter Saunders.

Among those who won prizes for events were Mrs. Tom Maloney, Reginald Joste and Harvey Saunders for prowess in throwing plates (paper ones); Frank Scammon, Mary Lucas Nunes and Jesse Holley ranked first in shovel throwing; Margaret Williamson and Tony Foster proved best team in broom-riding; Clinton Phillips won the balloon race and Mrs. C. B. Phillips made the best roll-call of those

present, having secured the names and addresses of 91 of those present.

John Lee Wilbur was proclaimed the oldest scout present and Bemiss the oldest in service, having been in scout work for 23 years. Tom Christian was both the youngest in years and in service among the scouts. The newest scout-master present was Herman Wood of Livermore.

It was voted to continue the gathering as an annual affair and also to make an annual event of ladies' night held for the first time last year at Castro Valley.

A vote of thanks was expressed to Mr. Ebright for the use of the grounds and for the special cleaning-up of the place prior to Sunday's picnic.

Those present from Washington Township were Mr. and Mrs. W. T. Lindsay and children, Rosetta Clark, Gladys Williamson and children of Niles; Mr. and Mrs. James Nunes, Mr. and Mrs. Tom Maloney of Centerville; Mr. and Mrs. Frank Scammon and children, Clyde Langland, Flora Hodgkins, Mr. and Mrs. Raymond Pond and daughter of Irvington; Mr. and Mrs. Saunders and "Skeeter", Mr. and Mrs. Herman Wood and children, Mr. and Mrs. Charles Turner, Mrs. Mary Guanzaroli, Dr. and Mrs. Frank Savage of Livermore; V. HEATH TELLS OF WORK OF SYLVESTER IN GRAND LODGE

CENTERVILLE—According to James H. Heath of the Masonic Home, Grand Chancellor Frank T. Dusterberry's activities in the welfare of California Pythianism is equalled by that of his close friend Fred L. Sylvester of Heath's Eureka Lodge No. 48 in Auburn, Me. While not a Grand Chancellor Sylvester is a past Grand Chancellor, and for years Master of the Finances of the Auburn lodge, he is Past Supreme Lodge representative and at the present time, Inner guard of the Supreme body.

Illustrating the friendship of the two Pythian wheel horses of the California and Maine domains, Dusterberry sent Sylvester a letter of greeting which was read at the annual roll call of the Auburn lodge last evening Heath states, in which he voiced this sentiment:

"May your meeting be filled with joy, may you be surrounded by loving friends and may you and the Auburn lodge celebrate many more such occasions. I am glad to know you and in a hands across the continent wish you success, long life and happiness."

Dusterberry states in his letter Supreme Chancellor Fred Jones is planning another eastern trip, which may include a visit to Maine.

Heath states that importance attached to the Auburn lodge roll call from the fact that officers of the Supreme lodge and grand officers of the order in Maine, including the Grand Chancellor and staff were present.

The grade at the school which secures the most members will be given a half holiday and the individual child who secures at least three will be treated to ice cream. Those who secure as many as five members will be given a pass to the Niles theatre.

It was decided not to raise the price of milk, half pints to be sold at three cents as formerly. It was reported that approximately 50 children on the average are using the cafeteria.

Teachers were presented by Principal E. B. Bristow. The new teacher, Miss Margaret McCaffery, was welcomed. Several new mothers were introduced by Mrs. C. H. Franklin, president, during the social hour which followed the program. Refreshments were served in the cafeteria.

Masonic Home News

by JAMES H. HEATH

MASONIC HOME—That in rare cases it is entirely proper to spell the word diamond with an "a" and still be correct was proven to the satisfaction of quite a few members of the Decoto Home, on Saturday evening, when Dimond Lodge No. 603, Oakland honored the home with its annual visit.

Boiled down these are the facts. Among a hundred and one little things to be looked after by Supt. Hartman in visitations of this nature is the placement of the announcements on the bulletin board at the main entrance to the dining room, in addition to his verbal proclamations during the serving of meals to more than 300 of the home family.

Sure enough Webster spells diamond with an "a" in it, setting forth the meaning of the word thus:

"A gem of extreme hardness and refractive power; a rhomboidal figure; with one or more lozenge-shaped figure".

But in spite of this generally accepted authority Supt. Hartman spelled it without an "a" And this was the creation of a short-lived flutter of excitement among the diners, several of whom delayed the little matter of eating, hurrying to the sanctum of the superintendent immediately after the saying of grace in the hope of having the supposed mistake promptly rectified, this in the interest of the preservation of the good name of the home in such matters.

To make a long story shorter, after lending an attentive and courteous ear, as is his wont, the Supt. very soon convinced them that his spelling of the beautiful word was correct. This he did by the aid of Grand Secretary John Whichever's useful roster, to which he has cause to make frequent reference, and in which he has never found in his 27 years as superintendent of the Decoto home.

All that remained was for Benj. Lewis Wade, genial Worshipful Master to impart the information to many who so requested, that his lodge had been named for a distinguished citizen of Oakland, and who spelled his name without an "a" in it.

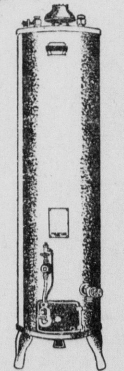

The lodge pleased with the

shortest, ablest one of the best entertainments at the home in many years, the preliminary unit was "all over" in less than 30 minutes. With Arthur Wilson, past master, as chairman, a number of boys and girls of the Scotty Weston's school in Oakland, presented several highly creditable numbers of dancing and singing under direction of Mrs. P. M. Bate, teacher. After that Abe Hamblin of the home gave a short program by the famous "One Man Band" and dancing by both old folks and young was in order, music for which was furnished by Arthur Nelson's snappy "haywire orchestra".

Satisfying refreshments brought by the visiting lodge were served under direction of Mr. Wade.

in this **\$40,000**
PRIZE CONTEST
on the Electrical Standard of Living

Your 100-word letter
may WIN these
valuable PRIZES!

How would you like to win a \$12,000 New American Home planned to fit your needs—a home that would be fun to live in because it was equipped with electrical servants that reduce housework to a minimum?

How would you like to win \$200 worth of electrical appliances that make housework easy and save your strength—a dishwasher, range, clothes washer, ironer, refrigerator or a combination of small appliances, whose retail prices total not more than \$200?

You have every chance to win the 1st Grand Prize or the 2nd Grand Prize. You may be the winner of one of the 10 valuable weekly awards. In this contest there is a total of 102 prizes. You have every chance to win.

All you have to do is to write 100 words on why the electrical standard of living appeals to you. And that should be easy to every man or woman who knows how electricity has put fun into living with the modern radio, dishwasher, vacuum sweeper, refrigerator, percolator, toaster, waffle iron, etc. Just tell in 100 words what these electrical servants have meant to you and your family, the freedom they give, the fun they are to use.

To help you write your letter you should have a copy of the FREE folder, "Invitation to Participate." It gives the facts. It tells the story. It contains the official entry blank. And it places you under no obligation.

Call, write or phone any P. G. and E. office for your copy. Or ask any General Electric dealer. The sooner you get it—and write your letter—the sooner your chance of winning a prize. So get started today.
